CODIFICATION OF CITY OF JOHNSONVILLE'S MUNICIPAL CODE OF ORDINANCES

The City of Johnsonville will accept proposals for codification of the City's Municipal Code of Ordinances. The Code was last codified in 2004, with multiple errors. It includes 34 chapters & is currently kept in a single 4-inch ring binder.

Any person or firm submitting a proposal should include the following:

1. Statement of qualification including years of experience in municipal codification
2. Size of firm
3. Experience of any assistants, including proofreaders, editors, etc.
4. Names & contact information of at least 3 municipalities, preferably in South Carolina, where similar projects have been completed.
5. Name of project contact person.
6. Itemized schedule of project prices, with a total project cost included

An award of contract, if any, will be made to the firm offering the best balance of experi-

ence, qualifications, & price at the discretion of City Council. The City of Johnsonville reserves the right to reject any or all bids in the best interest of the City.

Three (3) copies of each proposal should be submitted in a sealed envelope or package to Johnsonville City Hall, 111 W. Broadway St., Johnsonville, SC 29555. Proposals will be accepted until 12:00PM, on Friday, October 3, 2014, at which time they will be opened & made available for review.

This RFP is complete & there are no supplemental materials. Any parties interested in submitting a proposal should contact John Rogers, City Administrator, (843) 386-2069, to review the current code & discuss codification options.

SC DEPT. OF TRANSPORTATION QUALIFIED PRODUCTS LISTS & POLICIES

The South Carolina Department of Transportation (SCDOT) maintains Qualified Products Lists (QPL) for a variety of pre-qualified materials that may be used on construction & maintenance projects as specified in the project proposal. If a QPL is referenced, only the pre-qualified products may be used.

The Qualified Products Policies (QPP) provide information to the manufacturer of the material to assist them in obtaining pre-qualified status. Each QPL & QPP indicates when the last revision occurred & a contact name in the event assistance is required.

For information about the QPL lists & the policy & procedures governing the testing & approval of those products, please visit the Materials & Research page at http://www.scdot.org/doing/rm_lab.asp. This site allows access to the contents of the various lists & also access to the published policy by selecting the date listed under the Policy or the List categories.
